20130618 Ltr to JCMUA Water Lines Survey.pdf

Rajiv,

Attached is a letter and information you requested in your May 2, 2013 concerning the two 72-inch water mains that are below the RM 10.9 Time Critical Removal Action removal area.

I will put a hard copy in the mail to you.

Please let me know if there is any additional information you need concerning this matter.

Thank you for your time,

Roger

which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
